

"Middle move" last time

This is when a horse makes a move that improves his position during the race, but finishes in a worse position (i.e. 4 3 2 4).

"Beaten favorite" last time

This is a horse who went off as the favorite his last time out but did not win. There will be an asterisk by his odds in the past performances if he was the favorite last time. (i.e. *1.75).

Raced HERE 1 of last 3 outings

This is a horse who has raced at the current track in 1 of his last 3 races.

"In the money" HERE 1 of last 3 outings

This is a horse who has finished 1st, 2nd, or 3rd at the current track in 1 of his last 3 races.
