DESKTOP PUBLSHING

Fonts

Animal Tracks font
by Andrew D. Taylor
Get on track! Birds, deer, canines and felines creep and pad across your documents, leaving their distinctive footprints. TrueType format only.

Daily Planet Black font
When Clark Kent was a reporter for the Daily Planet, he might have used this newspaper masthead font. It's big and bold, and comes with numbers, and upper and lower case letters. (Sorry, no phone booth.) Both TrueType and Type 1 formats are included.

Galleon font
by Marty Bee
Use this swollen, serifed font for your nautical layouts. Both TrueType and Type 1 formats are included.

Marcie! font
This 90's typeface is contemporary, bold and undeniably feminine. "Marcie" is ideal for personal invitations, letters, messages, etc. Both TrueType and Type 1 formats are included.

Menuetto font
by Keith Field
Add sophistication to your next layout with the brushed, calligraphic look of Menuetto. Both TrueType and Type 1 formats are included.

Mortal Turtle RStamp font
by einzig design
Have you ever wanted an inverse colored typewriter font? Mortal Turtle RStamp is just the ticket! It features the full character set, is fully kerned and includes both TrueType and Type 1 formats.

Otherworld font
by Ragnarok
What character — these letters are formed from people! This all caps font has person-ality! Both TrueType and Type 1 formats are included.

Porpoise font
by Marty Bee
This font has a definite "porpoise" — Use it for a label in a techno-punk band's CD, art for a science fiction game, or any hi-tech application. Both TrueType and Type 1 formats

are included.

Pre-Columbian font
by Michelle Dixon
From ancient, pre-Hispanic Mexican cultures comes this decorative dingbat font. These unusual designs are derived from the carvings of Aztec, Mayan, Toltec, Olmec and other cultures. Both TrueType and Type 1 formats are included.

Rousseau font
by Ragnarok
Make a statement! This bold, gothic age font is tall and angular. Both TrueType and Type 1 formats are included.

Silhouette font
by Ragnarok
Chickens and ducks and foxes! Oh my! This dingbat font is crowded with silhouettes of people and a whole barn-yard full of animals. Both TrueType and Type 1 formats are included.

Spanky font
by Steve Castanon
A child's first efforts at writing an alphabet are reflected in this whimsical font. Some of its upper and lower case letters are "printed" backwards, others have varying weights and baseline shifts for authenticity. Standard punctuation characters, like exclamation points and ampersands, are also included. Both TrueType and Type 1 formats are included.

Taco Salad font
by B. Haber
Use this strong, happy font to illustrate Mexican fiestas and other south of the border themes. Vez! Both TrueType and Type 1 formats are included.

Terpsichore font
by Ragnarok
A formal script font, Terpsichore looks great on invitations and any elegant presentations. Both TrueType and Type 1 formats are included.

ULTRA BURSTS!
by Tony Schafer
Stars, seals, bursts of all kinds! Great for ads, flyers and newsletters. Add pizzazz to your layouts! Both TrueType and Type 1 formats are included.

PICT Clip Art

This volume's collection of PICT clip art includes the breath-

taking beauty of Artist's Palette in Death Valley, a Beaver Islander boat, the glorious Golden Gate, a fascinating collection of old-fashioned tools, Harrier jet, a burning building, Lyon Castle and a portrait of James Madison. All images are in color.

Programs
