Each Software of the Month Club® CD-ROM will NOW include a selection of program cateogies from our popular SRI list.   In addition to the normal selection of software from our Games, General Interest, Kids and DTP clubs you will now recieve programs from the SRI.   What this means is that you can be assured that when you use a program from the SRI you know that it is the highest quality.   Why?   Because the SRI is a list of our most popular software.   Below is a list of topics and descriptions in   this months issue.

 HC Home/Personal

Apartment Finder
Alleviates the stress of finding apartments in the paper.
HyperTree II
Genealogy stack.

Organize your recipes.
Drink Recipes
Recipes designed by a professional bartender.
