

The Mac Games Release List

by Paul Natsch

This is listing of the most comprehensive and informative release list for the Macintosh gaming community.

Take the release dates with a grain of salt because they are VERY tentative! In fact, some of these titles may never see the light of day!

Summary of titles released in November

- Falcon MC (color) (11/27/92) • Spectrum Holobyte
- M-4 Sherman Tank (8/24/92) • Deadly Games
