Maelstrom High Score Contest

Ambrosia Software, Inc. is running a Maelstrom high score contest! When you get a high score in Maelstrom 1.3, you'll be given a 10 letter high score code that'll allow you to enter your score in the contest!

The contest is underway and will end December 31st, 1993, so get your score codes in quick! See below for more contest information. Now onto a breakdown of this month's top scorers in the Maelstrom High Score Contest:

There is still plenty of time to enter the contest; crack your knuckles and get those codes in! You can mail, fax, or e-mail them to us; see below for our address, fax, and e-mail information. You must be using Maelstrom 1.3 to get the high score code, and should send in just the code (not your score), and your name/address that you used when you registered for Maelstrom.

The top 50 scores will receive a cool Maelstrom/Ambrosia T-shirt; cash prizes go out to the

top 3 scores as follows: 1st place: \$300. 2nd place: \$100. 3rd place: \$50. Send in as many score codes as you like; we'll use only the best score you submit. You must be a registered user to enter the contest, so please include your name/address along with your score code so we can check our database to make sure you are registered.
