

The Greatest Paper Airplanes Shareware Version Installation

The installer will create a folder named "Greatest Paper Airplanes" to hold all of the files installed for this program. Several files will also be added to your "Preferences" folder to control the initial settings for the program. This shareware version of the program is freely distributable, please share it with your friends and neighbors.

BUTTONS...

Install

Click when you are ready to copy the files from diskette.

Drive

Use this button to select the drive where you want GPA installed.

Eject

Use this button to eject the diskette from the drive.

Quit

Click here to exit the installer without installing.

TO RUN THE PROGRAM...

After the program has been successfully installed, run The Greatest Paper Airplanes, by simply opening the Greatest Paper Airplanes Folder and double-clicking on the "Greatest Paper Airplanes" icon. Have fun...

Note: Some virus-protection programs (GateKeeper, SAM, Virex, etc.) may warn you about some of the operations performed by the installer. This is normal. You should always give the installer permission to perform the requested operation. You may find it easier to disable any virus-protection programs before running the installer.
