

## **Kids Cards Version 2.0**

Thank you for your interest in Kids Cards. Kids Cards is a games designed for children between the ares of 3 and 9 years. Kids Cards contains an animated frontend to three games:

Flash Cards 123  
Flash Cards ABC  
Kids-N-Tration

Flash Cards 123 and Kids-N-Tration comes with the shareware version of Kids Cards. Flash Cards ABC comes with the registered version of Kids Cards. Kids Cards provides online help to help you get started and configuration options to so you can modify the games to meet your child's educational level. Kids Cards will play at virtually any resolution; however, it is recommended that you play it at 640x480 or 800x600 with 256 colors. Kids Cards was programmed using Visual Basic 3.0, if you would like the source code for Sounds-N-Tration it is available for an additional fee. To register fill out the following form and send it to:

**Ben Woodruff

---

Name:

Address:

City, State, Zip Code:

Disk Size:       3-1/2 HD       5-1/4 HD

Kids Cards - enclose check for \$10.00

Kids Cards & Visual Basic 3.0 Source Code - enclose check for \$20.00

---

-----

### **Installation Information**

Note: If you downloaded KidsCards from a BBS please ensure you have the file VBRUN300.DLL on your computer before you run setup. You may download VBRUN300.DLL from virtually any BBS in the world. The best place to have VBRUN300.DLL is in the \WINDOWS\SYSTEM directory.

1. From the Program Manager select File, then Run.
2. Type b:\setup and select OK. "b:" being the disk drive containing the KidsCards disk. If your 3-1/2" drive is "a:" then type a:\setup.
3. The setup utility will put Kids Cards in a window named Kids Cards.
4. Double click on the Kids Cards icon and have fun!
