

Games

Antibody 1.0.0

In this arcade-type game, you shoot viruses while avoiding the "good guy" red blood cells. PPC
(Application by Marco Carra)

Borscht Raider 1.0

Master an obstacle course as a feisty Russian searching Earth and beyond for borscht.
(Application by Shannon Schroeder)

Bubbles

Assemble five or more balls in a line and they will disappear, giving you a free turn. PPC
(Application by MindVision Software)

Cannons and Castles

Learn about angles and velocity by directing a cannon against an enemy in this two-player game.
(Application by Andy Lyttle)

Mazeworld Abyss 1.5.1

Run through a beautiful, texture-mapped maze searching for an exit and avoiding monsters. PPC
(Application by Farfetch Software)

Proximity

Watch the radar screen to locate your opponent's tank on a random battlefield.
(Application by Sam Carr)

Real Domino Effect

Use up to 3,000 dominoes to create falling patterns.
(Application by Steven J. Goldberg)

ShatterBat 1.1

Shoot bats in this stunning 3D game, while you watch out for Bob - his job is protecting the bats. PPC
(Application by Antennahead Industries, Inc.)

Slabbers 1.0

Shoot the Slabbers as they pop up from behind curtains, under sewer manholes and around corners.

(Application by Ragnar Brynjulfsson)

Surgery! 3.01

Remove parts of patients' bodies without waking them up in this one to four player game.

(Application by Bob Grubb)

Requirements:

PPC=Power Mac
