

## Card/Casino

### Briscola 1.0

Ancient card game

Can you master this century-old Italian card game? It's similar to the card game Trumps. The aim is to beat your opponents card by discarding a higher value card of the same suit or a card from the trump suit.

\* View game statistics

\* Choose skill level of opponent -- easy, medium or hard

\* On-screen scorecard

(Application by Tencas Group)

#### DrawPoker 1.0

Place your bets! Take a gamble with this five-card draw poker game. If you run out of money, your bankroll goes back to \$100.

Games-> Volume 225/May '96

#### Egyptian Solitaire 1.0.2

Play classic solitaire with an Egyptian flair. Twenty-eight cards are dealt face up and overlapping in the shape of a pyramid. The rest are turned over one at a time. Take cards off the pyramid when they are one higher or one lower in value of the cards in the deck. Continue until you run out of cards or clear the pyramid.

Games-> Volume 225/May '96

#### Euchre 5.4

This suits you

This Spades-style card game is fast-paced and exhilarating. Instead of playing with an entire deck, you play with only 24 cards - nine and below. The four players are dealt only five cards per hand. Play is fast and furious.

- \* Set your partner's playing style from risky to conservative

- \* Play Canadian rules

- \* Choose speed of play

#### Monte Carlo Solitaire 1.0.1

Enjoy this simple solitaire game. Remove all adjacent pairs of cards from cards arranged in a 5 by 5 grid. When you remove all pairs, fill the spaces with more cards. Your goal is removing all the cards in the fewest possible number of deals.

Games-> Volume 226/June '96

#### Par Pyramid 1.1

A classic version of the Pyramid Solitaire game. With a deck of cards laid out in the shape of a pyramid, clear away cards by choosing pairs with a total value of thirteen.

Games-> Volume 228/August '96

#### Romi 1.6

Challenge the computer in this Rummy-style card game. Place cards on the game board in sets of three or more in an attempt to run out of cards before the computer. If you can't play, you'll have to draw a card and miss your turn. Choose from three difficulty levels and a variety of options, including the ability to see the computer's hand.
