

Games

3D Brick Bash!

(application by Matthew Diamond)

This BreakOut-style game in three dimensions offers new challenges.

Absolute Stocks

(application by Splinter Software)

Turn \$100,000 into a million by buying and selling stocks in a fun stock market simulator.

Assault Vehicles

(application by XYZ Entertainment)

Play either single- or multi-player versions of the 3D driving/fighting games with vehicle and weapon choices. PPC, 15MB RAM

aWorm

(application by Toni Lääveri)

Guide Sam and Sal Worm through levels. Make sure they eat all the dots, but don't hit the walls.

Cool!

(application by Relax Software)

Become the ultimate pool shark by keeping up with the ever-increasingly fast pool balls.

Slithereens

(application by Ambrosia Software)

As Luther the snake, you travel mazes eating smaller snakes while avoiding being eaten by larger snakes.
