Concentrate 2.0

Test your memory with this Concentration-style game. Click on two tiles and see if the pictures match. Try to match all the tiles on the board. Choose from three board sizes, ranging from 16 to 64 tiles. A timer records how long you play. Attempt to beat your best time or challenge a friend.

Children's-> Volume 222/February '96

Follow 0.98

Test your memory with this Simon-style game. The computer plays a tone and flashes a light. You must click on the light that flashes. The computer continues the pattern and adds another tone to it. Change the speed at any time if it gets too fast or too slow. See how far you can go!
