Starting the Disc

1. Start Windows.
2. Insert *The Baywatch™ Companion* disc into your CD-ROM drive.
3. Double-click the *Baywatch™* icon in the BPMC group window.
4. The *Baywatch™* Main Menu will appear.

Exiting the Disc

To exit from any screen, do one of the following:

- Double-click the button in the upper left corner of the program window.
- Hold down the Alt key and press the F4 key.

Main Menu and General Controls

From the Main Menu, you can access any of the following five sections by clicking the letter that corresponds to that section. Once in a section, you can access any other section by clicking the appropriate icon in the upper left portion of the screen.

Screensavers

This section allows you to view video clips and select up to five to run as a screensaver. You can change your clip selections by adding or deleting clips from the filmstrip along the bottom of the screen. (If you copy the filmstrip to your hard drive, the CD-ROM does not need to be in the drive for the clips to play.)

The images on the left represent clips from the show. Click the arrows above them for more selections. To select a clip, click the image. Then use the following controls:

- | | |
|---|--|
|  | Plays the currently selected clip |
|  | Stops the clip |
| INFO | Shows episode information for the selected clip |
| ADD | Adds the selected clip to your screensaver filmstrip |
| DELETE | Deletes the selected clip from your filmstrip |

To further customize your screensaver, select Control Panel from the Main group in Program Manager. Then choose Desktop and select Setup to modify the options.

Print Shop

1. Select Letterhead, Memo, Fax Cover Sheet, or Greeting Card by clicking the appropriate button at the bottom of the screen.
2. Click the << and >> buttons below the viewer to scroll through the images.
3. Click Preview to view the form with the image you chose or Edit to launch the word processing program you selected during installation and create a new file.
4. In Preview, you can select Edit to launch your word processing program and create a new file or Cancel to exit the Preview screen.
5. To print, follow the print commands in your word processing program. When you exit the program, you will return to *The Baywatch™ Companion*.

Episode Guide

To view episode details:

1. Locate the episode title by scrolling through the list.
2. Double-click the episode title.
3. Scroll through the episode details by using the scroll bar on the right.
4. Click the Return To List button to get back to the title listing.

To watch clips:

1. Double-click the icon next to the episode title to see clip(s) from that episode.
2. To stop the clip, click anywhere on the screen with your mouse.

Planner

All entries made to the Calendar, To Do List, and Address Book are stored on your hard drive for future reference. Use the Tab key to move through the fields in the entry boxes.

To Add: Double-click the indicated line, fill in the form, and click OK.

To Modify: Double-click the desired item, modify the form, and click OK.

To Delete: Double-click the desired item, and click Delete.

To use the Calendar, select a year and month by clicking their respective buttons. Then click any day on the calendar, and a video clip will run. To stop the clip, click the viewer. When the clip ends, you can view and update your appointments.

Trivia Bank

Click the following buttons to access the six sections of the Trivia Bank:

Trivia Quiz:	100 multiple-choice trivia questions
Cast Photos & Bios:	Portraits and biographies of the stars
Rookie School:	Lessons on lifeguarding
To The Rescue:	Catalog of daring rescue clips
Music Montages:	Key music video clips
