COPIES IN PARAPHRASE SENT TO C. M. J. AND M. J. D. W. [unclear]

125, January 27, 8 p.m.

My Peruvian colleague told a number of my staff that he had heard from many sources including a Japanese source that the Japanese military forces planned, in the event of trouble with the United States, to attempt a surprise ~~move~~ attack on Pearl Harbor using all of their military facilities. He added that although the project seemed fantastic the fact that he had heard it from many sources prompted him to pass on the information.
