1.5 history

22nd of April 1997

~Initial release ... hopefully 'First And Last And Always'.

1.6 bugs

No known bugs. ;-)

1.7 distribution

The 'AmiTransWorld' set is Copyright © 1997 by Georg Rottlaender.

~'AmiTransWorld' may be freely distributed as long as the following conditions are fulfilled:

~- all files have to be kept together and

~- no file may be modified (especially the transfer animations itself).

~Including this set of transfer animations in a commercial or shareware distribution (of a WWW browser for example), is prohibited without my written ~permission.

1.8 credits

~The transfer animations were assembled using ArtEffect v1.5 by Haage & Partner. Hey guys ... still waiting for release version 2.x of ArtEffect.

~

...

~They were modified (hook included) using Photogenics v2.0a by Almathera (R.I.P).

...

~The 4/5/6/8Bit versions were~created using PPaint by Cloanto.

...

~And finally to all Amigans out there in the world still keeping faith and my beloved A4000 (it keeps on running and running and running ...)

1.9 disclaimer

~The author neither assumes nor accepts any responsibility for the use or misuse of this set of transfer animations.

~The author will not be liable for any damage arising from the failure of programs that try to interpret this set in any way (especially datatypes and ~WWW browsers) or any destruction of other programs or data residing on a system attempting to use this set.
