### 1.1 The documents on this CD

The documents on Aminet CD 6

A lot of valuable information is available on the Internet. An especially useful source of information is Amiga Report, a bi-weekly online magazine. This CD includes all issues of Amiga Report and adds a full text search facility: You can find and word in any article of Amiga Report.

```
Amiga Reports
All back issues of Amiga Report
Auction issue  All about the sale of Commodore to ESCOM
Article finder  Find any keywords in any article.
```

A word about the article finder: You can only find articles in the AmigaGuide versions of Amiga Report, the first 13 were in in ASCII and are not covered. Viewing an article is slow since it has to be unpacked first, so be patient. Keywords will not be marked inside links. You can enter several keywords to see only the articles that contain all of them.

There are other texts and magazines:

```
docs/anno  Announcement documents
docs/help  Help on various issues
docs/hyper Hypertext documents
docs/lists Lists and tables
docs/mags  Magazines
docs/misc  Various documents
docs/rview Amiga product reviews
```

And of course you can search for docs on this CD.
