

## Shareware Registration

Soft Ventures retains all rights to SVList. SVList is being marketed as Shareware, NOT free software. The Shareware concept is simple: **try before you buy**. If you like SVList and wish to continue using it, you are required to register with Soft Ventures.

Upon receipt of your \$20.00 registration fee, Soft Ventures will EMail you a registration KEY that will remove the Shareware notice from SVList. Future upgrades are available FREE via EMail or FTP.

Note: No disks are mailed unless specifically requested. Shipping charges shown below.
