My_Plan.wri Copyright 1996 by Think Ahead, Inc. PO Box 5, Dresden, Maine 04342

My Plan -- Interactive College Planner:

Write -- Right NOW -- As you read this. Jump-start your college financial aid plan.

My Plan Includes:

PLAN IDEAS - QUESTIONS - TO-DO LIST - AID TOPICS - and ITEMS NEEDED to complete your College Aid Calculator (tm) data entry.

My Plan is your guide -- an outline -- a template. Fill in your ideas as you read this.

If you use this file "as is" (as installed), to "save" My Plan,

in WIN3.1, click on: File, Save;

in WIN 95, click on: File, Save, Yes, Save.

To use My Plan with your word processor, click on Think Ahead's ReadMe.TXT icon.

PLAN IDEAS:

/p (See explanation of /p at the end of this document--hold down Ctrl & press End now.)

Put your cursor on the blank line above this.

Now, start making a list of your college ideas and financial concerns.

Use one-liners. Move along rapidly. Amplify and organize later.

QUESTIONS to ask:

/q

Colleges:

Guidance Counselor:

Other:

Start listing your questions on the lines above. Be brief. Later, amplify and categorize your list.

TO-DO LIST:

/d

Immediate:

Soon:

Someday:

List your reminders / "things to do" above.

AID TOPICS:

/a

Below is a short alphabetical list of topics.

Expand on what pertains to you--Delete the rest.

Add new topics -- whatever suits your situation.

Begin with general concerns

Details can come later

Use the Tab key to indent to create your outline.

Start reading Strategies to Reduce College Costs.

As you read, <u>copy</u> pertinent information & <u>paste</u> it under a heading below.

Later, cut and paste everything to organize your plan.

As soon as you no longer need these instructions, delete them.

This is your plan.

Assets: (Parent / Student)

Colleges (Cost of Attendance):

Ideas:

Income: (Parent / Student) -- (Taxed / Untaxed)

Loans:

Scholarships:

ITEMS NEEDED to Complete College Aid Calculator:

/i

When ready, play with College Aid Calculator:

Our NEW Windows version will be ready early Fall 1996--school year 97-8. See ordering instructions at the end of the *Strategies* ... book.

You'll need: Your most recently filed tax return -- 1995.

Updated estimates for 1996's taxable income.

Untaxed income figures.

Values for your Assets -- cash, investments, home, etc.

Review My_Plan frequently. Update it. Implement it.

Comment on this concept--pass your thoughts on to: Bob and Sally Fesler
