Payment accepted by VISA, MASTERCARD, or international money order only. If you are ordering from a country other than New Zealand, please DO NOT send checks drawn on non New Zealand banks. Use a cashier's check or international money order valued in "U.S. DOLLARS".

If you do not wish to send your VISA or MASTERCARD number to us via CompuServe or Internet you can fax your order or you can place your order by phoning me personally. The fax and voice phone number is: 64-3-365-1112. Please check our time zone here in Kiwiland - we're right on the International date line (the first to see light of the day:-), 12hrs < GMT. The 24hr line accepts fax or voice calls when unattended.

Bank draft/International money order...

can be sent to:

Adrock Software

Byte Computer and Software Ltd

P.O. Box 13-155

Christchurch

New Zealand

attn: <Component Name>

Credit Card Details

VISA/MASTERCARD...

Your name on card: _____

Number: _____

(xxxx-xxxx-xxxx-xxxx)

Expiry Date: _____

(mm/yy)

Payment by VISA, MASTERCARD or money order will be processed before we Email you the component - please don't forget your Email address. International postal delivery is not supported at this time due to the additional cost.

Ordering by CompuServe's Online Shareware Registration System (SWREG) is probably the quickest method to get your registered component.

(go SWREG and search the keyword ADROCK to find our stuff.) Contact us on CompuServe at 100353,110

Registrations via Internet mail are safe this end (we use IBM's Global Network) which is very secure. Contact us on the Internet at DHMCC@ibm.net

Contact Info

Please Email us if you have any problems or find any bugs in our component - we will do our best to ensure this component works for you!

Chris Crowe, Duncan McCormack

Please address any correspondence to Duncan McCormack at any of the contacts listed below...
