Easy Edit for Windows95 Overview

Easy Edit is designed to be a text editing tool with a lot more features than your average text editor, without having to go to a bulky full blown word processor. Built in HTML functions and Spell Checker.

I can be reached at **franklin@lynx.csn.net**

To register this program or find a recent release :

<http://www.csn.net/~franklin/easy.html>

This is version 1.05 released October 20, 1996.

Getting Started

Minimum system requirements for Easy Edit is:

486 or higher
8 megs of ram
Windows95

Installation:

From the directory where the uncompressed files reside or floppy diskette one, run setup.

Deinstallation:

Go To the control panel off the startup button. Select Add/Remove programs.

Select Easy Edit

Select Add/Remove

Note: This program will only work for 30 days from the day of installation unless you register it.

Command Line Syntax

"C:\Program Files\ee\ee.exe"

Or to load a file from the command line.

"C:\Program Files\ee\ee.exe myfile.txt"

You can also associate Easy Edit to .txt files through Windows95 Explorer - under Options
After doing this you will just be able to click on any file with a .txt extension and
it will automatically open Easy Edit with that file ready to edit.

Easy Edit Copyright Notice

- As the copyright holder for Easy Edit, Jason B. Franklin authorizes distribution only in accordance with the following conditions. The Easy Edit package is defined as containing all the material listed in the packing list (PACKING). If any files listed in the packing list or the packing list file itself are missing, then the package is not complete and distribution is forbidden. Please contact us to obtain a complete package suitable for distribution.
- The Easy Edit package - including all related program files and documentation files - cannot be modified in any way and must be distributed as a complete package, without exception.
- No price or other compensation may be charged for the Easy Edit package. A distribution cost may be charged for the cost of the diskette, shipping and handling, as long as the total (per disk) does not exceed US \$8.00 in the U.S. and Canada, or US \$12.00 internationally.
- The Easy Edit package CANNOT be sold as part of some other inclusive package. Nor can it be included in any commercial software packaging offer, without a written agreement from Jason B. Franklin.
- The Guide to Using Easy Edit may not be reproduced in whole or in part, using any means, without the written permission of Jason B. Franklin. In other words, the disk-based documentation may not be distributed in printed (hard copy) form.
- The Easy Edit package cannot be "rented" or "leased" to others.
- Licensee shall not use, copy, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed program except as provided in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license.

All rights not expressly granted here are reserved to Jason B. Franklin.

Easy Edit Trial Use License

Easy Edit is NOT a public domain program. It is Copyright © 1996 by Jason B. Franklin.

This software and accompanying documentation is protected by United States Copyright law and also by International Treaty provisions. Any use of this software in violation of Copyright law or the terms of this limited license will be prosecuted to the best of our ability. The conditions under which you may copy this software and documentation are clearly outlined below under "Copyright Notice".

Jason B. Franklin hereby grants you a limited license to use this software for evaluation purposes for a period not to exceed thirty (30) days. If you intend to continue using this software (and/or it's documentation) after the thirty (30) day evaluation period, you MUST make a registration payment to Jason B. Franklin.

Using this software after the thirty (30) day evaluation period, without registering the software is a violation of the terms of this limited license.

Licensee shall not use, copy, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed program except as provided in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license.

With registration you will be sent the latest registered version of Easy Edit and notified of any future release. If you wish your registered version be sent to you via e-mail please indicate so when you send in your registration.
