

SOFTWARE LICENSE AGREEMENT

This software license agreement is a legal agreement between you and Computer Research Associates. By installing and/or using the software, you are agreeing to be bound by the terms of this agreement. If you do not agree to the terms of this agreement, promptly deinstall the software.

1. GRANT OR LICENSE. This License Agreement permits you to use one copy of the software programs included in this package (the "SOFTWARE") on a single computer. The SOFTWARE is in "use" on a computer when it is loaded into RAM or installed onto a permanent storage device (hard disk, etc.).

2. COPYRIGHT. The SOFTWARE is owned by Computer Research Associates and is protected by United States copyright laws and international treaty provisions and all other applicable national laws. Therefore, you must treat the SOFTWARE like any other copyrighted material. You may make one copy solely for back up or archive purposes or transfer the SOFTWARE to a single permanent storage device provided you keep the original solely for backup or archive purposes. Some original tunes may be in the public domain and not copyrighted, but the musical arrangements reflected in the MIDI files are copyrighted by Computer Research Associates.

3. OTHER RESTRICTIONS. You may not rent or lease the software or use it for any commercial purpose without prior written consent from Computer Research Associates. You may not broadcast any sounds produced by the software without prior written consent from Computer Research Associates.

4. LIMITED WARRANTY. Computer Research Associates warrants that the SOFTWARE will perform substantially in accordance with the accompanying feature descriptions.

5. CUSTOMER REMEDIES. Computer Research Associates' entire liability and your exclusive remedy shall be at Computer Research Associates' option either return of the price paid or replacement of the SOFTWARE.

6. NO OTHER WARRANTIES. To the maximum extent permitted by applicable law, Computer Research Associates and its suppliers disclaim all other warranties either express or implied, including, but not limited to implied warranties of merchantability and fitness for a particular purpose. This limited warranty gives you specific legal rights. You may have others which vary from jurisdiction to jurisdiction.

7. NO LIABILITY FOR CONSEQUENTIAL DAMAGES. To the maximum extent permitted by applicable law, in no event shall Computer Research Associates or its suppliers be liable for any damages whatsoever including without limitation, direct or indirect damages for personal injury, loss of business profits, business interruption, loss of business information or any other pecuniary loss arising out of the use of or inability to use this product, even if Computer Research Associates has been advised of the possibility of such damages. Computer Research Associates and its suppliers' entire liability under any provision of this agreement shall be limited to the amount actually paid by you for the SOFTWARE. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you

To receive such authorization, send this completed application, along with a copy of your software library's order form to: CRA, 9814 Indian Queen Point Road, Fort Washington, MD 20744.
