

Dear

Bone Appetit would be delighted to cater your party next Friday, September 26. Our country dinners are extremely popular. Below are sample menus from three country dinners.

- Italian: poor man's caviar, pasta and parsley pesto with toasted walnuts, mixed greens with sauteed mushrooms and leeks, grilled fontina and eggplant sandwiches, orange almond cake with peaches and amaretto whipped cream

- French: brie and chive fondue, sun-dried tomato and herb-cheese strudel, baguettes, mustard coleslaw, seafood lasagne Provencale, tarragon chicken with vegetable ragout, lemon napoleons with raspberry sauce

- American: trout-stuffed potato pancakes, wild mushroom soup, lobster salad with green beans, corn, and bell pepper, chicken sauteed with beet greens and bacon vinaigrette, chunky fudge brownies with hazelnut ice cream

I'll call Wednesday to discuss these with you and confirm your choices. Looking forward to talking with you.

Sincerely,
