AmigaGuide, AmigaGuide.info, amigaguide.library, WDisplay, WDisplay.info,
InstallAmigaGuide, InstallAmigaguide.info (hereinafter "Files") and their
related documentation, utilities, and examples
(c) Copyright 1991-93 Commodore-Amiga, Inc.  All Rights Reserved

These Files and their related documentation, utilities, and examples
are provided "AS-IS" and subject to change without notice; no warranties
are made.  All use is at your own risk.  No liability or responsibility
is assumed.

A. DISTRIBUTION OF UNMODIFIED AMIGAGUIDE DEVELOPER ARCHIVE

The complete and unmodified AmigaGuide developer archive, as provided
by Commodore, may be freely redistributed via any means which preserves
its copyrights.  The archive may not be sold for profit.

B. DISTRIBUTION OF AMIGAGUIDE SEPARATE FROM DEVELOPER ARCHIVE

Specific Files from the archive may be reproduced and distributed
separately under license subject to agreement with the following terms
and conditions (wherein the reference to Files shall mean AmigaGuide,
AmigaGuide.info, amigaguide.library, WDisplay, WDisplay.info,
InstallAmigaGuide, InstallAmigaguide.info, either individually or
collectively):

1.   The Files may be reproduced but may not be modified in any way.

2.   The Files may only be distributed as an integral part of a software
     product solely for Commodore Amiga computers.

3.   The related documentation, utilities, and examples provided by
     Commodore may not be reproduced or distributed, in whole or in part,
     except as part of a complete and unmodified archive as provided by
```

Commodore.

4.   Licensee shall hold Commodore harmless from any and all claims, damages
      and liabilities resulting from or arising out of its use or distribution
      of the Files.

5.   All copies of Licensee's software product containing the Files and
      of Licensee's product documentation related thereto (either paper
      or electronic) must include the following copyright notice:

   AmigaGuide, AmigaGuide.info, amigaguide.library, WDisplay, WDisplay.info
   (c) Copyright 1991-93 Commodore-Amiga, Inc. All Rights Reserved.
   Reproduced and distributed under license from Commodore.

6.   Licensee's product documentation (either paper or electronic) must also
      include a disclaimer substantially similar to the following:

      AMIGAGUIDE SOFTWARE IS PROVIDED "AS-IS" AND SUBJECT TO CHANGE;
      NO WARRANTIES ARE MADE. ALL USE IS AT YOUR OWN RISK. NO LIABILITY
      OR RESPONSIBILITY IS ASSUMED.

7.   Licensee may only distribute the versions of the Files that have
      been approved by Commodore for electronic licensing as evidenced by
      Commodore's inclusion of the Files in an official Commodore archive
      or diskette containing the Files, the related documentation,
      utilities, and examples, and this Electronic License Agreement.
      Ongoing distributions must include only the most recently approved
      releases of the Files which Commodore has designated for electronic
      licensing and distribution.

8.   The Files may not be installed on a user's system or Workbench
      unless the installation procedure included with Licensee's product has
      determined that the user's system or Workbench does not contain a more
      recent version of the Files.

9.   Such technical information as is contained in the Files (and any
      product thereof) or in the related documentation, utilities, and
      examples may not be exported in contravention of the laws and
      regulations of the United States.

10.   Prior to any distribution of the Files, Licensee must acknowledge and
      consent to these terms by forwarding a completed and signed copy of
      this entire Agreement, on paper, to:
    CATS - Electronic Licenses, 1200 Wilson Drive, West Chester, PA 19380, USA

11.   Commodore may terminate this license at any time, with or without cause.
      This license and Licensee's rights hereunder will automatically
      terminate upon any breach of these terms and conditions. Upon any
      such termination, Licensee shall destroy all copies of the Files and
      the related documentation, utilities, and examples in its possession.
