## 1.2 A.I.D.S - Bäd Influence

AIDS

Live was young and I wouldn't see  
That dead is what I'm going to be  
My hair not yet gray and you can't deny  
That I am far to young to die  
In an accident I was injured badly  
The blood poured outta my body madly  
A blood transfusion to keep me alive  
The blood was infected, I will never survive !

H.I.V. - Three letters destroyed my life  
H.I.V. - No condom could have saved me  
AIDS - Into blackness I dive  
No matter who you are, it's killing thee!

Life, now I know what it's about  
It's much to easy to find it out  
Life is when you haven't gotta fear  
That death' footsteps are what you hear  
Every flu now could me kill  
The virus takes it's mortal bill  
I haven't lost the will to live  
I'm taking just what every day may give!

The moment is now!  
Death is in the room  
Mother, don't let your child go that soon  
There are so many things  
That I still want to do  
My dear family - if not me  
THEN GOD BLESS YOU!

H.I.V. - Three letters destroyed my life  
H.I.V. - No condom could have saved me  
AIDS - Into blackness I dive  
No matter who you are, it's killing thee!

H.I.V. - Three letters destroyed my life  
H.I.V. - No condom could have saved me  
AIDS - Into blackness I dive  
No matter who you are, it's killing thee!

## 1.3 ANOTHER LAND - Bäd Influence

Another Land

To die is to live - the light awaits me  
The pain and the joy they give  
My soul is free...  
Seconds mean hours to me  
Freedom fills my mind

---

A lock found the right key  
And I know the sign...

I wanna stay - never return  
To keep me endlessly alive  
A million holy candles burn  
Everybody seems to know about live

And they seem to greet me  
They seem to whisper in my ear  
All the things are easy  
And nobody knows the word fear  
My feet dont touch the ground  
Everything is clear  
I feel, my home is found  
I dont share a tear - No!

I wanna stay - never return  
To keep me endlessly alive  
The lights are down - the whole scene escapes  
Fear is rising up in me - I don't wanna go back !

I can see my dead body  
It's lying right below me  
Something pulls me in again - NO!

## 1.4 JEALOUSY - Bäd Influence

Jealousy

.  
.

He is rich and nor like you  
You're .. you got nothing to show  
She went out alone the last days  
to meet some friend she said  
Today you follow her at night  
and find out that he was on her site

Jealousy- is burning in your mind  
Jealousy- what .. you from behind  
Jealousy- ..  
Jealousy- ... on your knies

There is nothing, she promisses  
I love you more than anything  
she lies, and .. and you you say  
I don't believe you  
she does'nt realized  
that you took the knife  
as you ...  
her eyes opened wide

....  
....

she's going to die

---

Jealousy- is burning in your mind  
Jealousy- what .. you from behind  
Jealousy- ..  
Jealousy- ... on your knees

Jealousy- is burning in your mind  
Jealousy- what .. you from behind  
Jealousy- ..  
Jealousy- ... on your knees

## 1.5 LOST SOUL - Bäd Influence

Lost Soul

I'm sitting here, deep in a tunnel  
The end is much too far away  
Will I ever see the light again  
Or am I doomed to die in the dark  
In my mind I'll build a temple  
Oh god, help me to find the way  
In my dreams of darkest pain  
I am wandering through in a horror-park!

Once I lived my life in pleasure  
I had all you'd wish you have  
I could reach the stars up blinking  
But I reached too high and I fell  
I have lost all my treasure  
While falling into my own grave  
Satan now controls my thinking  
I am part of his game - maybe the ball!

Never lose your soul  
Ever be your master  
Or you'll fall into a hole  
Falling faster, faster, faster...

Satan, I thought, would be my guide  
Supported him and told it pride  
A marionette I was, soon I realised  
I must have been hypnotised

My moves I want to control again  
Oh, gimme a chance so that I can!

Never lose your soul  
Ever be your master  
Or you'll fall into a hole  
Falling faster, faster, faster...

## 1.6 SCHATTEN - Bäd Influence

---

Schatten

Kerzen brennen, in meiner Seele  
sind das ewige Feuer meines Lebens  
Ihr Schein erfüllt mein Herz  
Ihr glitzern, meine Augen  
Blut kreist in meinem Kopf  
es pocht in meinen Adern  
Im Wettlauf mit der Zeit,  
indem es nur Verlierer gibt.

Der Tod ist ein Sturm  
vernichtend und kalt  
verlischt er das glühende Feuer  
der Tod ist ein Strom  
mit grausiger Gewalt  
verlischt er das glühende Feuer- meines Lebens

Mein Lebenslicht brennt nieder  
erbarmungslos flatternd, erzittert die Flamme  
Dunkle Schatten, meiner Gedanken  
fallen auf mein Anlitz zu verhüllen ...

Das Leben gleicht dem Untergang der Sonne im Meer  
In myriaden Farben erstrahlend, ehe sie versinkt.  
Vor dem Tod, ....  
Vor dem Tod, vor dem Tod ist alles klar/gleich (?)

Dunkle Stille meiner einsamen Angst (??)

## 1.7 SILENT SUICIDE - Bäd Influence

Silent Suicide

Robot like - you go to work  
Hand in hand - German 'n Turk  
Later you ask: "What have I done?"  
"Of all the things I wanted to do -  
None !"  
What happened to my dreams ?  
I lost them and it seems  
as that they never come back - son said  
"I don't wanna live like you !" - I give him a Smack...

I play my part very well, but I will go to hell.  
If I'll go like that, you will see him smiling  
But you know that he's dead !  
Conservative asshole - you, number with no soul  
did you learn your lesson ?  
You're a nobody - not a very important person...

Now open your mind - leave your past behind  
Free yourself from the chains of society  
And feel never the pain again

I stop this life-along lie - I want to live and try  
not to forget my past, but to learn from it,  
that I survive at last!

I'm your nightmare - You're mine  
I can see beauty - You're blind  
You're the outcast - Not me  
You're really save - I'm free

I'm your nightmare - You're mine  
I can see beauty - You're blind  
You work from from nine to five - I won't  
I love the world - YOU DON'T!

## 1.8 THE DYING MAN - Bäd Influence

The dying Man (Text by Timur Tatlici, Music by Julia Pruns)

Yesterday I saw the dying man  
And he sat right next to me  
He had big trouble once again  
A punchingball he thought to be

He talked about cannot living on  
Life has lost all of its meaning  
The sadness stayed for much too long  
Until his mind was bleeding

He does'nt even have to kill himself  
Cause isn't it death when the mind stops to work  
He's nearly dead...

Drunken he went to his home  
He closed the house's door  
He closed the door to his heart  
And it slowly turned to stone

He built walls and fronts  
Noone should hurt him once again  
"Au revoir tout le monde -  
Please do not stay the same!"

He does'nt even have to kill himself  
Cause isn't it death when the mind stops to work  
He's almost dead...

Although he lives he has killed himself  
Cause his mind has already stopped to work  
He is dead...

## 1.9 VAMPYRE - Bäd Influence

Vampyre (Lyrics: M. Brühning, Music: J. Pruns & J. Steinbrenner)

I'm howling like a wolf at night  
crawling through your neighborhood  
I keep away from every light  
always on the search for blood  
in my grave it's dark and cold  
wet and smelly, full of rats  
I'm a thousands years old  
my friends are just a bunch of bats

Give all to try  
try to survive  
help me to die  
or keep me alive  
destroy my heart  
burn me with fire  
or try to start to live like a  
Vampire

All day long I'm in my cave  
in a coffin that's too small  
wait for you to keep me safe  
wait for your releasing call  
give me the eternal bliss !  
And make my soul feel fine  
my bite is like a deadly kiss  
and when I kiss you  
you'll be mine.

4x Give all to try  
try to survive  
help me to die  
or keep me alive  
destroy my heart  
burn me with fire  
or try to start to live like a  
Vampire

## 1.10 VERRÜCKT - Bäd Influence

Verrückt (Text by M.Brühning, Music by J.Pruns)

In meiner Welt steht alles auf dem Kopf  
mein Grün ist blau, mein Schwarz ist weiß  
Ich bin ein Teufel und auch ein Gott  
mein Tag ist Nacht, mein kalt ist heiß

Bin ich verrückt?  
Bin nicht verrückt!  
Ich bin verrückt!  
Bin ich verrückt?  
Bin nicht verrückt!  
Ich bin verrückt!

Ich schlafe fest und bin hellwach  
bin auf dem Weg doch komm' nie an  
Die größte Stille ist für mich Krach  
Ich bin der Meister und Untertan

Bin ich verrückt?  
Bin nicht verrückt!  
Ich bin verrückt!  
Bin ich verrückt?  
Bin nicht verrückt!  
Ich bin verrückt!

Ich bin das was ihr nie seht  
Ich bin die Angst die nie vergeht  
nie vergeht  
nie vergeht

Bin ich verrückt?  
Bin nicht verrückt!  
Ich bin verrückt!  
Bin ich verrückt?  
Bin nicht verrückt!  
Ich bin verrückt!

## 1.11 ZUKUNFTSANGST - Bäd Influence

Zukunftsangst (Lyrics: M. Brühning, Music: J. Pruns)

Ich weiß nicht wie  
Und was die Zukunft ist  
Haltet den Mund  
Weil ihr es auch nicht wißt  
Wie heißt die Frau  
Die ich für immer lieben kann?  
Kann ich ihr treu sein  
Ein ganzes Leben lang?  
Kein Bock auf Arbeit  
Doch ich brauch das Geld  
Zum Überleben  
Das ist was zählt in dieser Welt!

ZUKUNFTSANGST !!!

Was kann ich?  
Was soll ich?  
Was muß ich?  
Was will ich?  
Hab keine Antwort  
Auf diese Fragen  
Hör' nicht auf das  
Was andere Leute sagen  
Der Sinn des Lebens  
Wo steckt der drin?  
Sich umzubringen

---

Macht für mich auch keinen Sinn!

ZUKUNFTSANGST !!!
