1.2 BREAKING UP IS HARD TO DO - Neil Sedaka

Breaking up is hard to do

Do, do, do, Down, do-bi-do, down, down - come on, come on
Down, do-bi-do, down, down - come on, come on
Down, do-bi-do, down, down
Breaking up is hard to do

Don't take your love away from me
don't you leave my heart in misery
If you go then I'll be blue
Cause breaking up is hard to do
Remember when you held me tight
and you kiss me all through the night
Think of all that deep in through
and breaking up is hard to do

They say that breaking up is hard to do
now I know, I know that it's true
Don't say that this is the end
instead of breaking up I wish that we will make it up again
I'm back of you

don't say good bye
Can't we give that love another child
Come on baby let's start a new
Cause breaking up is hard to do
(Girls:)
They say that breaking up is hard to do
Now I know, I know that it's true
(Girls:)
Don't say that this is the end
Instead of breaking up I wish we will make it up again
I'm back of you
don't say good bye
Can't we give that love another child
Come on baby let's start a new
Cause breaking up is hard to do

1.3 PIANOMAN MEETS ... -

Pianoman meets ...

It's 9 o'clock on a saturday,
regular crowds shuffles in.
There's an old man siting next to me,
making love to his tonic and gin.

He says sometime you play me a memory
I'm not really sure how it goes.
But he's sad and sweat and I knew it complet,
when I wore a younger mans cloth'

Sing us a song, you are the piano-men
Sing us a song tonight
Well, we are all in the moon for a melody
and you've got us feeling alright

Now John at the bar is a friend of mine,
he get's me my drinks for free.
And he's quick with a joke or a light of your smoke
but there's some place that he rather need.

He say's build a life'nd leave this is killing me,
as a smile ran away from his face.
But I'm sure that I could be a moviestar,
if I could get out of this place.

Now Paul is a realistic novelist
who had never time for a wife.
And he's talking to Davie, who is still in the Navy,
and probably will for live.

And the waitress is practicing politics
as a buisines men slowly get stoned.
Yes, they share in a drink, they call 'Lonlynes',
but it's better then drinking alone.

Sing us a song, you are the piano men
Sing us a song tonight
Well, we are all in the moon for a melody
and you've got us feeling alright

It's a pretty good crowd for a Saturday,
when the manager gives me a smile.
'Cause he knows that is me, they been coming to see
to forget about live for a while.

And the piano sounds like a carol
and the microphone smells like a beer.
And they sit up the bar and put bread in my jar
and say man what are you doing here?

Sing us a song, you are the piano men
Sing us a song tonight
Well, we are all in the moon for a melody
and you've got us feeling alright

1.4 STAND BY ME - Benny King

"UNSER LIED"

Eines der schönsten Lieder überhaupt!

When the night has come
and the land is dark,
and the moon is the only
light will see.

No I won't be afraid
no I won't be afraid
just as long as you stand,
stand by me!

So darling, darling
stand by me, oh, stand by me
Oh, stand
stand by me, stand by me!

If the sky, that we look upon
should tumble and fall,
all the mountains
should crumble to the sea.

I won't cry, I won't cry
no I won't share a tear
just as long, as you stand
stand by me!

And darling, darling
stand by me, oh, stand by me
oh, stand now
stand by me, stand by me

Darling, darling
stand by me, oh, stand by me
oh, stand now
stand by me, stand by me

Whenever you're in trouble
won't you stand by me
oh, stand by me
oh, stand now
oh, stand now
stand by me!
