1.1 FUBAR Control Centre World Manager Plug-in Documentation

Sorry, no docs here yet. That's obviously due to the World Manager Plug-in not being written yet. Hmph.

If you're looking for docs on how to distribute Worlds created in the Control Centre, you won't find any. ****PLEASE**** do not distribute them yet (distribute them to me (Oondy) of course!!).

Stay tuned, and keep on rocking!
