

Thank you for purchasing Jasmine Multimedia Publishing CD-ROMs.

CONTENTS OF THE VIDEO SPECIAL EFFECTS VOLUME 1 DISC:

Your Jasmine Multimedia CD-ROM Disc contains the following files:

VFXDESC.TXT lists the film clips contained on the disc, sorted by description.

VFXFILE.TXT lists the film clips contained on the disc, sorted by file name.

MUSIC.TXT lists the music files contained on the disc.

The Video for Windows Run-Time Software, which includes a new version of the Media Player and the drivers necessary to play video files on your PC, in the directory \VFW.

Video files, in the directory \VIDEO. The movie files are saved using the Indeo codec from Intel, at 160x120 pixel resolution, with 24 bit color, and a 15 frames per second frame rate.

Music files, in the directory \MUSIC. The audio files on this disk are saved as 8 bit, 11.025 kHz, mono .WAV files.

TO VIEW THE FILES:

In order to play the video footage on your Jasmine Multimedia CD-ROM, it is necessary to use the Microsoft Video for Windows software. A limited run-time version of Video for Windows has been provided on the CD-ROM. To install Video for Windows:

- 1) Within windows, select "Run" from the "File" menu of the Program Manager.
- 2) When prompted for a program to run, type

X:\VFWSETUP

where "X" is the drive letter of the CD-ROM drive.

- 3) Click the "OK" button. The Video for Windows run-time software will then be installed on your hard drive. To play a video clip, run the Media Player and select "Open" from the "File" menu. Select the file you wish to run, and double-click to open it. The media player will also play .WAV audio files.

FOR YOUR PROTECTION, PLEASE READ:

1. This sheet states the terms of a legal agreement between you and Jasmine.
2. You accept the terms of this agreement, and enter into this agreement, by opening the sealed disc.
3. If the terms of this agreement are not acceptable to you, or you refuse to be bound by the terms of this agreement, you should promptly return the software package unopened along with all written materials to the place of purchase.

LICENSE

Jasmine grants you the non-exclusive right to use the software subject to the following restrictions:

- 1) You may use the software on a single CPU on which the software is first used only.
- 2) You may make one copy of the software in any form for back-up purposes only, and not for use as, or a variation of, a stock music, video, or still-image library.
- 3) You may not sell, lease, rent, assign, or transfer the software without the prior written consent of Jasmine. You may sell or transfer the software to another party on the condition that the other party executes a written, enforceable, sub-license agreement containing the terms and conditions of this agreement as well as an additional provision prohibiting any further sub-licensing or transfer. If you transfer the software, you must at the same time either transfer all copies, whether in printed or machine readable form, to the same party or destroy any copy not transferred.
- 4) With the exceptions of paragraphs 5 and 6 below, you may not reproduce and/or repackage any part of the software, including the music, video, or still-image libraries, for broadcast, retail, or theatrical use in any media, photographic or silver-based or otherwise, including without limitation cablecast, satellite or microwave transmission or videotape, without the prior written consent of Jasmine.
- 5) You may make use of the video and still-image libraries in magnetic and/or optical form for retail use only.
- 6) You may make use of the software as part of a project where the software is not the predominant part of the project.
- 7) You may not make any use of the software which in any way may be considered defamatory or a defamation of any individual.
- 8) You may not reverse engineer, decompile, or disassemble the software.
- 9) Any portion of the software and/or music, video, and still-image libraries used in any program or project will continue to be subject to the terms and conditions of this agreement

COPYRIGHT

The software and its music, video, and still-image libraries are owned by Jasmine and/or its suppliers and are protected by the United States copyright laws and international treaty provisions. You must treat the software like any other copyrighted material. Any violation of this license is a violation of this agreement and of the United States copyright laws.

THIRD PARTY BENEFICIARY

You are hereby notified that there are third party beneficiaries to this agreement to the extent that this agreement contains provisions that relate to your use of the software. Such provisions are made expressly for the benefit of said third parties, and are enforceable by them in addition to Jasmine.

LIMITED WARRANTY

1. Jasmine warrants:

a. That the software will perform substantially in accordance with the accompanying materials for a period of 90 days from the date of delivery of the software as evidenced by your receipt;

b. The workmanship under normal use of any hardware accompanying the software for a period of 90 days from the date of delivery as evidenced by your receipt.

2. In no event will Jasmine be liable to you for any damages, including any lost profits, lost savings, or other incidental or consequential damages arising out of the use of or inability to use the software.

3. This agreement will be governed by the laws of the State of California.

The software is provided as is without any other warranty, either express or implied, including warranties of fitness for a particular purpose or merchant ability. Jasmine does not warrant that the functions contained in the software will meet your requirements or that the operation of the program will be uninterrupted or error free. The entire risk of the software is with you. Some states do not allow the limitation of implied warranties, so the above exclusions may not apply to you.

Jasmine Multimedia Publishing Catalog

Over a dozen CD-Roms featuring the finest in production music, video stock footage and professional photographic stills.

Space In Motion

Man's Exploration Of The Final Frontier

Take The Ultimate Journey Through The Cosmos

~~~~~

Experience the greatest moments in mankind's heroic exploration of the universe with this dramatic collection of video clips. From the Soviet's first rocket blasts to Neil Armstrong's moon walk, share the glory of the heavens on this exciting CD-ROM adventure. Also included are over a dozen animations of planets, space stations, and satellites. Accompanying the videos are orchestrated masterpieces by such composers as Tchaikovsky, Strauss, Vivaldi, and Wagner.

### America In Motion

### Videos Of The American Dream

#### Experience America The Beautiful

~~~~~

Americas have a unique way of celebrating life and this CD-ROM takes you on an electronic journey from the Golden Gate to the White House, from Fourth of July fireworks to Thanksgiving dinner. The spirit of freedom that moves the American heartland is also expressed in dozens of musical selections ranging from Ragtime to Rock and Roll.

Business In Motion

Great Videos Of The World's Work Force

Take A Look At Who's Working

~~~~~

From steel mills to Wall Street, from retail stores to scientific laboratories, workers of every kind are making a difference in manufacturing, agriculture, aerospace, and construction. This CD-ROM includes authentic footage showcasing the world's diverse work force. Also included are 48 upbeat themes perfect for any corporate presentation.

### Nature In Motion                      Exotic Movies Of The Plant & Animal Kingdoms

#### Look Into The Eyes Of Mother Nature

~~~~~

Take a voyage from the shores of Alaska, through the South American rain forests, under tropical island waters, to the lush jungles of Asia and Africa. This CD-ROM is packed with exquisite movies of nature's most gorgeous plants and stunning creatures. Coupled with the video, is an equally rich collection of classical orchestrations by such master composers as Verdi, Bizet, Mozart, Hayden, and Beethoven.

Seasons In Motion Movies Glorifying The Change Of Seasons

Watch Winter, Spring, Summer & Fall Come Alive

~~~~~

Marvel in the beauty and spirit of the varied ways in which man adapts to the Earth's changing seasons. Take an imaginary trip from the changing leaves of a New England fall, through snowy ski slopes, across fields of spring's first blooms, to the sun drenched beaches of summer resorts. Each beautiful video captures the wonder and joy of the season. Accompanying the videos are music instrumentals perfect for any multimedia presentation.

### Famous Faces                      The Most Prominent People Of The 20th Century

#### Meet The Men And Women Who Changed History

~~~~~

Inventors, politicians, celebrities, artists, business and religious leaders all helped shape the twentieth century. Bring history to life with this exciting CD-ROM collection of exceptional film footage and educational biographies. Look, learn and listen as Kennedy predicts sending men to the moon and Henry Ford drives his first car. Experience electronic time travel as you share the excitement of the century's greatest achievements with the men and women who became history.

Famous Places Explore The Wonders Of The World

Come Discover The Earth's Greatest Landmarks

~~~~~

Take an electronic journey to the most majestic and alluring locations around the globe. From the grandeur of the Great Pyramids of Egypt, through the romantic canals of Venice, to the Great Wall of China, this unique CD-ROM combines rare and breathtaking movies with

fascinating histories. So just turn on your computer and tune into the ultimate sight-seeing adventure. Along the way, you will learn the fascinating facts behind how the Grand Canyon was created, who built the Taj Mahal and why the Tower of Pisa leans.

#### Amazing Moves

#### The Best In Bizarre Stunts & Feats

##### Take A Peek At The Ultimate Electronic Sideshow

~~~~~

Step right up and marvel at the most amazing collection of thrills, chills, and spills ever collected. Gathered from both modern and historic footage from around the world, Amazing Moves boggles the mind with death-defying daredevils, astonishing animal acts, and one-of-a-kind oddities. From parachuting dogs to human cannon balls, this one CD-ROM has more showstoppers than could fit under any circus big top. Also included are musical solos and duets perfect for any imaginative multimedia presentation.

Science In Motion

Discover The World Of Science & Medicine

Witness The Scientific Breakthrough Of A Lifetime

~~~~~

Explore the mysteries of science and medicine as only eminent researchers have seen before.

#### Sports In Motion

#### Winning Scenes For Success Motivation

##### Cheer On Those Who Face The Challenge

~~~~~

Educational and Business presentations take on new vibrancy with dramatic videos that focus on the importance of individual determination in setting goals, beating the competition and going for the gold. This collection of rousing footage is coupled with dozens of stirring musical themes designed to enliven any presentation or multimedia project.
