

Here Kitty 1.1
Windows Screen Saver
Copyright (c) 1994 by John Owen

Here Kitty is a Windows screen saver with an adorable fully animated kitten running across your screen. Just before the screen activates a young girl's voice calls "Here Kitty" and as she calls once every two or three minutes the kitten runs and runs on it's way home.

Here Kitty is a shareware product. If you use it for more that 30 days, you MUST register. You are encouraged to try this shareware version and pass it along, or make copies for friends. However, you are only granted the right to use this Unregistered Version for 30 days. If you continue to use it beyond 30 days you must register. To register please send \$15.00 in US Funds to:
