## SITE LICENSE INFORMATION

What is a site license? A site license is an inexpensive way for more than one person to legally use one copy of a program on more than one computer at a time. Site licenses are designed for companies, offices or workgroups where more than one person in the organization needs to use a product, but does not need additional manuals or disks. Site licensing enables companies, departments, government agencies, etc., to equip their personnel with the tools they need at a minimal cost.

Here's the gist of how it works: The company purchasing a site license (the licensee) provides a single point of contact for shipping, technical support, upgrades, etc., and we (the licensor) provide a "golden master" of the diskettes, manual, and any other parts of the package.

There are different interpretations of the term "site license." The legal definitions and explanations can be found in the "End User Site License Agreement" on the following pages; however, in lay-man's terms, for the purpose of this documentation, a site license is a volume discount on multiple copies of the software package.

Rhode Island Soft Systems, Inc. will provide a volume discount of a full 25% for customers wishing to license between ten (10) and forty-nine (49) copies ("sites") of WinPak Deluxe Volume #2, and a full 33% discount for customers wishing to license fifty (50) or more copies. At 1/3 off, this is a tremendous savings! If your company needs 100+ copies, please contact us for a special pricing -- we are very flexible and will work to reach a solution that works for you, with even greater savings!

These days the world seems to be run by attorneys, so of course they want to get involved in everything. The following legalese document is the complete license agreement. Simply print it, fill it out, sign under LICENSEE, enclose a check or money order (made out in U.S. dollars) for the correct amount, and mail or FAX it to:

Rhode Island Soft Systems, Inc.	Fax: (401) 767-3108
P.O. Box 748	Voice: (401) 767-3106
Woonsocket, RI 02895	BBS: (401) 767-3931
U.S.A.	CompuServe: [72662,463]

Upon receipt of the completed, signed form, and a check or money order for the correct amount, we will send you the required "golden masters" and a copy of the license agreement with an authorized signature under LICENSOR.

If you have any questions, or if you need site license information for more than 100 sites, please contact us - we are very flexible, and will work with you to reach a solution that works for you!

Any modifications to the licensed program shall thereafter be licensed AS IS.

6.2 The above warranty does not apply to the extent that any failure of the licensed program to perform as warranted is caused by the licensed program being (1) not used in accordance with the user documentation, or (2) modified by any person other than authorized Rhode Island Soft Systems, Inc. personnel.
