

## **Browallia**

Also called amethyst  
(*Browallia sp.*)

Petunia-like blossoms. Size varies. Heavily borne on dense plants. Blue, white, violet. Varieties: Blue Bells Improved, Silver Bells, Velvet Blue.

### **Soil and Light**

Full sun or partial shade. Tolerant of all soil types kept moist.

### **Planting**

Sow indoors 4 to 6 weeks early, or buy transplants.

### **Comments**

At end of season, cut back plants and put in pots on a sunny windowsill for winter blooms.
