The registration fee is:

Please mark:

US \$ 5.00 - if I can send you the registration number via Internet e-mail

US \$ 8.00 - if you don't have e-mail access, for postage and handling

+ US \$ 5.00 - for the scanning service (see readme.wri!)

**If you are interested in the source code, you can buy the entire Cat95!
sources. Send an e-mail for more information.**

The following currencies are accepted as well: DM, ATS, FF.

**Please send cash only, because this is the cheapest transaction for you and
me (banks in Austria take a lot more than \$ 5 for clearing a check!).**

Thank you for registering Cat95!
