How to use Demo Screen Saver

- 1. Copy the Screen saver file, CSS_ADD.SCR, to your windows directory using the Windows File Manager or the DOS copy command from the DOS prompt.
- 2. Run the Windows Control panel.
- 3. Double Click on the "Desktop" icon.
- 4. Choose "Bouncing Custom Logo" from the Screen Saver list box.

5. Clicking on "Setup" button displays the following dialog box which allows you set screen saver parameters.

How To Order Your Custom Screen Saver

To receive a Bouncing Bitmap Windows screen saver which uses your logo or art work, send a 5" x 7" or smaller copy of the logo/art work, for me to scan, or the a disk with the logo in windows bitmap (*.bmp) format (16 colors max) to the following address.

Brian A. Mielke 6899 West Belhaven Drive Boise, Idaho 83703

Please include \$10.00 for the screen saver plus \$3.00 for postage and handling. Also include \$5.00 scanning fee if the logo is not supplied digitially in *.bmp format.
