

This is part two of apple recipes written for Meal Master. Most of the recipes came from a booklet entitled, "Apple Recipes" by J. Amero (Wellspring Press, 1983.) The remaining recipes were culled from my own recipe box.

If you liked these recipes, and would like me to type up more, please call MORE BBS at (718)251-9346, and tell the Sysop that Roberta Krieger sent you!

Happy cooking!
