Plate 1. Chronology of Phosphate Mining in Southeast Idaho.

Mine Name	1900 1910	1920	1930	1940	1950	1960	1970	1980	1990	2000
Waterloo Mine	Underground mining				Surface mining					
Hot Springs Mine	Underground mining		Intermittant activity		Underground mining					
Paris Canyon Mine	Underground	mining								
Rattlesnake Canyon Mine	Underground	mining								
Bear Lake Mine		Underground mining	_							
Conda Mine			Underground mir	ing	I	Surface minin	3			
Home Canyon Mine	Underground	mining								
Consolidated Mine		_	Underground mining							
Bennington Canyon Mine			Surface mining	 						
Wyodak Exploration				Underground mining						
Gay Mine				_		Surface minin	3			
Ballard Mine					Surface mining					
Maybe Canyon Mine					Underground mining	Surface mining		Surface mining		
Georgetown Canyon Mine					Surface mining					
Blackfoot Narrows Mine					Surface mining	Surface minin	3			
Centennial Mine					Surface mining					
Diamond Gulch Mine					Surface mining	-				
Fall Creek Mine					Underground m	ining				
Mountain Fuel Mine						_		<u>Su</u> rface mining		
Mill Canyon Mine						Surface minir	g			
Taylor Creek Adit						Undergrou <u>nd</u>	mining			
Henry Mine							Surface mining			
Bloomington Canyon Mine							Underground mining			
Pritchard Creek Mine							Underground mining			
Little Long Valley Mine								Surface mining		
Lanes Creek Mine								Surface mining		
Champ Mine								Surface mining		
Smoky Canyon Mine								Surface mining		→
Enoch Valley Mine									Surface mining	-
Rasmussen Ridge Mine									Surface mining	→
Dry Valley Mine									Surface mining	→
