

How To Play

Click the Change button to call for the change attendant. After you receive your change click the Play Max Credits button and you'll be dealt a hand. Click on the cards you wish to keep, then click the Draw button. The cards you discarded will be replaced with new ones and your hand will be evaluated. If you made one of the hands listed in the pay schedule (above the cards) you'll be paid accordingly. Click Play Max Credits to start a new hand.
