To join the slot club simply click on the slot in the game window or select Slot Club Card... in the Options menu. Click on the New button and type in your name. You'll now appear in the list of members. Double-click on your name and you'll return to the main window with your card in the slot. You should see a message telling you how many points you have earned so far, followed by an endless stream of casino promotions. Whenever you play you should start by inserting your card in the slot.
