

Registration

The registration fee is \$10. If you include a formatted disk and a stamped and addressed mailer (or \$4) we'll send the latest version, plus whatever else we can fit on the disk. Send payments to:

Steve Budrys
8349 Drop Camp St.
Las Vegas, NV 89123

We also have a Pro version for \$39 + the disk & mailer (or the \$4).

It offers everything in Deuces Wild, plus the features labeled "(Pro version only)" in the help text. With it you'll be able to learn how to play perfectly, which will definitely have a positive effect on your bankroll when you visit Las Vegas.
