

Special thanks to the following people for without their help this project would probably still be gathering dust:

Bev Madison, Ed Estes, Jon Koerber, Vince Marco, Mike "Blood Shreak" Tavares, Todd McKee, Ron Kaps, Tim Christensen, Bob Mulligan, Bob Nordling, Ren & Stimpy, Rod Witten, and the rest of the Toxic Zombies.

A great thanks to Bob Reid for his art contributions on the original Trek and contributions on versions 1.6.0 and beyond. His ideas and help are beyond measure (take a bow Bob).

My greatest appreciation goes to those who have supported Galactic Trek from the beginning. I wish I could list you all, but you will have to accept my undying gratitude. You who have registered are the elite, the few, the most honoured. If you haven't registered yet shame on you...
