

◦ HELP - Registration

Please take a moment to enter your Serial Number (from your original diskette).

If you don't do this now, you may still utilize the program in Demo mode and register at a later date.

In "Demo" mode, the total catalog size will be restricted to 2 Megabytes (enough for 3 to 4 thousand files). The program will continue to run in this way for 4 weeks. If you run in this way, you will be able to register and use the Catalog later.
