

Drop everything! The Academy Award-winning hit film, THE FULL MONTY is now Broadway's biggest hit, and the critics love it.

Ben Brantley of The New York Times says, "THE FULL MONTY is that rare crowd-pleaser that you don't have to apologize for liking." Elysa Gardner of USA Today says THE FULL MONTY is, "Full of brilliance.

It's a blockbuster." Written by Tony Award-winner Terrence McNally, with music and lyrics by David Yazbek, THE FULL MONTY is the raucous story of six down-on-their-luck steel workers in Buffalo, NY who go to great lengths to raise cash for a friend in need.

THE FULL MONTY had its world premiere at San Diego's Old Globe Theatre, where it broke all box office records in its sold-out, extended run.
