

It is nothing short of a cultural phenomenon! First came the smash hit motion picture. Next came the long-running TV series. Now it's a red-hot, emotionally charged, spectacular stage musical critics have pronounced "a feel-good triumph!"

Set in the early 1980s, *Fame - The Musical* focuses on the hopes and aspirations of a group of students attending New York City's High School of the Performing Arts on West 46th Street. The musical chronicles their four-year odyssey from audition to graduation and touches on many important social issues.

Fame - The Musical is conceived by David De Silva and features a book by Jose Fernandez, lyrics by Jacques Levy and music by Steve Margoshes. With a soaring book and score, *Fame - The Musical* is an inspirational testament to the hopeful, young dreamer in all of us!
