

DIRECTIONS OF _____

I, _____, of _____, _____, _____,
herewith state:

1. I am of sound mind and have reached the age of majority.
2. After due and mature deliberation I have decided that it is consistent with my religious, moral and ethical beliefs that if I should ever be certified under the New Mexico Right to Die Act as suffering from a terminal condition that "maintainence medical treatment" as is defined by that act shall not be utilized to prolong my life.
3. If the time comes when I, _____, can no longer take part in decisions of my own future, let this statement stand as an expression of my wishes while I am still of sound mind.
4. This statement is made after careful consideration and is in accordance with my strong convictions and beliefs. I want the wishes and directions here expressed carried out to the extent permitted by law. Insofar as they are not legally enforceable, I hope that those to whom this will is addressed will regard themselves as morally bound by these provisions.
