OBJECTIVE

Educator with Doctor of Education degree and twenty years' experience, mainly as administrator, seeks appointment as superintendent of schools in community desiring sensitive leadership and quality education. Excellent record in upgrading educational programs in accordance with wishes of heterogeneous community.

EXPERIENCE

Experience in School Administration:

Acting Superintendent of Schools, Wheaton, Indiana, 1993-present.

Appointed to fill post during the leave of absence of incumbent superintendent. Complete charge of seven grade schools, one junior high school, and one senior high. Commended for performance and offered position of assistant superintendent upon return of the superintendent. Prefer to seek a superintendent's post of my own.

Principal, Wheaton Senior High School, Wheaton, Indiana, 1982-present.

(On leave from principal position while serving as acting superintendent.)

Wheaton High School has faculty of 35 teachers, covering tenth, eleventh, and twelfth grades for 900 students. Reorganized school curriculum in 1983 to reflect wishes of the first elected school board of Wheaton. Hired one-third of the present faculty. Evaluate all teachers for performance and sensitivity to needs of minority groups. Established remedial programs for disadvantaged students aspiring to college admissions.

Vice Principal, Irvington High School, Irvington, Indiana, 1977-1982.

This school has 50 teachers serving 1,000 students. Evaluated teachers, planned curriculum, supervised staff in principal's office, and established intramural sports program. Reported to principal and filled in as acting principal during his absence. Left to become principal at Wheaton.

Experience in Teaching:

English Teacher, Irvington High School, Irvington, Indiana, 1975-1977.

Taught all four levels in a standard English program. Served as dramatic coach and advisor to both yearbook and newspaper. Promoted to position of vice

principal in 1977.
