---

**OBJECTIVE**

Supervisory position in residential or commercial construction.

**EXPERIENCE**

**Midstate Construction Company**  
**Present**

**1993-**

Ithaca, New York

PROJECT FOREPERSON. Supervised the construction of all homes in the James Fenimore Cooper development. Implemented all plans of architectural engineers. Hired all employees. Oversaw and checked all work. All Midstate contracts have been completed; need new position.

**Alhambra Construction Company**  
**1993**

**1990-**

Alhambra, New York

MASTER CARPENTER AND CONSTRUCTION FOREPERSON. Joined Alhambra as journeyman carpenter, but soon promoted to master carpenter and placed in charge of carpenters building and remodeling homes. I was responsible for the work of twenty carpenters and apprentices. Directed layout carpentry, installation of interior and exterior carpentry, and flooring.

**Selfridge Building and Supply**

**1987-1990**

Ithaca, New York

APPRENTICE AND JOURNEYMAN CARPENTER. Entered this supply and building company as apprentice carpenter, although I had qualified as a journeyman (equivalent) in the U.S. Army. I assisted master carpenters on all varieties of building and repairing both residential and commercial structures. I learned purchasing and estimating as sidelines.

**MILITARY**

**UNITED STATES ARMY****1984-1987**

SERGEANT, ENGINEERING. My high aptitude in visual layout qualified me for specialized training in construction. I achieved the equivalent of journeyman carpenter. My leadership ability qualified me for the position of project for erecting barracks in continental United States and West Germany.
