

## **Weiser Lock Prestige Series**

Models P - 4370, 4470, and 74, Style P02

Each handleset is a personal statement, a reflection of beauty, dependability and quality construction. Created with careful attention to style, substance, and convenience, they are comfortable and easy to use. Prestige Series handlesets include design features often found on more expensive door hardware.

### Functions

P,4370: Double Cylinder High Security Handleset. The deadbolt is locked or unlocked by key from either side. The lower trim is non-locking.

P, 4470: Single Cylinder High Security Handleset. The deadbolt is locked or unlocked by key from outside and by thumb turn on inside. The lower trim is non-locking.

P, 74: Dummy Handleset. Dummy trims to match exterior and interior trims of P, 4370 and P, 4470.

Every Prestige handleset is protected by Weiser's Brilliance<sup>™</sup> lifetime exterior finish. The Brilliance finish preserves the beauty of the brass while guarding against exposure to the elements. Weiser guarantees it will not tarnish, corrode, or discolor for a lifetime. Style P02 is available in Bright Brass (-3), Satin Chrome (-26), Antique Brass (-5), and a dark Oil-Oxidized Rub (-10B). It is pictured here in Bright Brass.
