Garden Planning

A concise guide to garden layout, featuring the author's geometric approach to spatial planning.

John Brookes

ISBN: 0895774283

Reader's Digest Association

Pleasantville, NY

A Pattern Language

People tend to feel strongly about this cookbook of vernacular architectural solutions. Though it focuses more on buildings, there is a healthy dose of wisdom on landscape design. It offers particularly strong advice on linking a home with its surroundings.

Alexander, Ishikawa, Silverstein, et al.

ISBN: 0195019199

Oxford University Press

Sunset Western Landscape Book

Paired with the encyclopedic Sunset Western Garden Book, this newer landscape guide for those west of the Rockies, could be all you need, or just the bookends to a growing library.

Sunset Publishing

Menlo Park, CA 94025
