

Welcome to Arts & Letters EXPRESS

This is a Test Drive version of **Arts & Letters EXPRESS**, top of the line of Arts & Letters graphics software products.

IMPORTANT: If you already have a version of Arts & Letters EXPRESS installed on your system, do **NOT** install the Test Drive version as it will overwrite your working copy of EXPRESS.

If you have not installed Arts & Letters EXPRESS, follow the instructions below.

INSTALLATION INSTRUCTIONS

1. Start Microsoft Windows. At the top of the Windows display, the title bar should read Program Manager.
2. Pull down the File Menu and choose the Run... command.
3. Type x:\setup where x is the CD-ROM drive on your computer (D, E, etc.) Press the Enter key on the keyboard to run the setup.
4. The Product Choices dialog box will appear followed by the Install Options dialog box.
5. Click on OK and follow the on-screen instructions.

Test Drive Arts & Letters EXPRESS

To start EXPRESS, click on the EXPRESS icon in the Arts & Letters program group.

Because this is a Test Drive version, you can experiment, draw, color and create a work of art but remember, you cannot save, copy, export or print it. For more information about EXPRESS, pull down the Help menu and click on **EXPRESS Features** to display a listing of features. To view artwork created using EXPRESS, click on **EXPRESS Art Show**. To pause the Art Show at any point, click on the right mouse button. To end the show, click on the left mouse button.

The last screen is an order form for EXPRESS at a special introductory price. Click on **EXPRESS Features** for a complete list of all the reasons you will want to take advantage of this extraordinary offer.
