

## License Agreement

This is a legal agreement between you, the end user and Star Graphics Corp (SGC). Using this S/W indicates your acceptance of the following terms.

1. SGC grants you the license to use one copy of the enclosed SGC software program(s) on a single computer. You may not network the software or otherwise use it on more than one computer or computer terminal.
2. The software is owned by SGC. You may make one copy of the software solely for backup or archival purposes and transfer the software to a single hard disk provided you keep the original solely for backup or archival purposes.
3. You may not rent or lease the software but you may transfer the software and accompanying written materials on a permanent basis provided you retain no copies and the recipient agrees to the terms of this license. You may not reverse engineer, decompile, or disassemble the software. You may use only the disks appropriate for your single-user computer. You may not use the other disks on another computer or loan, rent, lease, or transfer them to another user except as part of the permanent transfer of all software and written materials.
4. You agree to take all necessary steps to ensure that the provisions of this License are not violated by you or by any person under your control or in your service and you shall cause or permit no such person to disassemble reverse-compile or tamper with the Licensed software. All copyright, patent, trade secret, trademark and other intellectual and property rights in the Licensed Software are and shall remain the property of SGC.
5. SGC warrants that the software will perform substantially in accordance with the accompanying written materials for a period of 90 days from the date of receipt. SGC's entire liability and your exclusive remedy shall be at SGC's option, either return of the price paid OR repair or replacement of the software that does not meet SGC's Limited Warranty and which is returned to SGC with a copy of your receipt. SGC has no obligation to refund the purchase price or to repair the software if failure of the software has resulted from accident, abuse, or misapplication. Any replacement software will be warranted to the remainder of the original warranty period or 30 days, whichever is longer.
6. In no event shall SGC be liable for any damages whatsoever arising out of the use of or inability to use this SGC product even if SGC has been advised of the possibility of such damages. SGC MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED SOFTWARE, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. IN NO EVENT WILL SGC BE LIABLE FOR INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF INCOME, USE OR INFORMATION, NOR SHALL ITS LIABILITY EXCEED

THE AMOUNT PAID FOR THE LICENSED SOFTWARE.

Because some states do not allow the exclusion of liability for consequential or incidental damages, the above limitation may not apply to you.
