

***Instructions:***

This is a competitive two player game created with Klik & Play, the revolutionary instant game creator from Maxis!

Face off against another player in this intergalactic game of dodge ball. Shoot the planets towards your opponent's ship and use your thrusters to keep your ship out of the way of incoming planets.

The first player to make 5 hits, wins.

Your ammunition is limited and you may only take five shots at a time before your ship will automatically reload.

***Information:***

Klik & Play is a revolutionary new concept - an instant game creator. In minutes, you can design and create your own computer games from arcade, to strategy, to puzzle games and more. Easy enough for anyone to enjoy, there's no programming skill required - just "Klik & Play."

- \* No programming skills required - everything can be done with your mouse
