Re: Advertising/Promotional Calculators

CalcTech is now offering a *promotional giveaway* edition of the M-B-A-nalyst Financial Calculator.

We supply M-B-A-nalyst software on diskettes with custom labels promoting your company or organization. In addition, each time the program is run, a message window appears displaying your company name.

Why give away coffee mugs or pen sets? M-B-A-nalyst is a valuable product your customers will use daily, and they'll see your company name each time they run the program.

This offer is a unique and inexpensive way to promote your organization. To learn more about this offer and receive a sample diskette, contact CalcTech at (206) 527-9950. Ask for extension 400.
