About Shareware

Shareware is a method of marketing commercial grade software that allows the customer to 'Try it before you buy it'. Low marketing overhead allows lower prices.

This evaluation is at No Charge, feel free to make copies and share the program with your friends, but you cannot alter it or include it in another system.

This Software is Copyrighted and a Registration Fee must be paid if you wish to continue using it after 30 days. You will get the latest version and other goodies described on the Registration Form.

Now, a word from our lawyers:

Users of this program must accept this Disclaimer of Warranty: The program is supplied as is. The author disclaims all warranties, expressed or implied, including, without limitation, the warranties of merchantability and of fitness for any purpose. The author assumes no liability for damages, direct or consequential, which may result from the use of this program.

There, now our lawyers are happy.

Just enjoy using the program and send in the registration fee if you decide to continue using it.

ASSOCIATION OF SHAREWARE PROFESSIONALS

ViewPoint Software, Inc. is a member of the Association of Shareware Professionals (ASP). ASP wants to make sure that the shareware principle works for you. If you are unable to resolve a shareware-related problem with an ASP member by contacting the member directly, ASP may be able to help. The ASP Ombudsman can help you resolve a dispute or problem with an ASP member, but does not provide technical support for members' products. Please write to the ASP Ombudsman at 545 Grover Road, Muskegon, MI 49442-9427 USA, FAX 616-788-2765 or send CompuServe message via CompuServe Mail to ASP Ombudsman 70007,3536.
